

SPY MYSTERY PARTY

TOP SECRET

The Top Secret Service agencies around the globe have finally realised that kids make the best secret agents because they can go unnoticed, but kids notice everything!

Your presence is required at the next C.L.A.S.S. (Covert Learning Agency for Secret Spies) Training Session. You will learn Observation Skill, Code Breaking, Deductive Reasoning, Clue Finding, Fingerprint detection and Disguise Techniques.

We have received intelligence that a double agent is working covertly in the C.L.A.S.S. Training Academy.

Your mission should you choose to take it, is to find the double agent. Don't worry, after your training you should be able to use all your newly gained skills to track down and expose the double agent.

For entrance into the C.L.A.S.S. Training Academy you must learn your PASS Phrase; you will be asked, "What time is it in China?" to which you must reply "The time in China is irrelevant when you are having fun".

Wear Black.
